**Join us as *Sommelier Rebecca Hiebert*  
leads us through a delicious sampling of Wine and Food Pairings  
from *Rockway Vineyards***

Under Winemaker David Stasiuk's stewardship, Rockway Vineyards has garnered an incredible number of awards. In his Toronto Star Column "Gord on Grapes," Gord Stimmell wrote... "under the guiding light of young Winemaker David Stasiuk, the winery has been reborn and is churning out amazing Small Lot wines, some of which rise into the realm of world-class."

We will be tasting several of these award-winning wines within an exciting theme based on the art of pairing wine and food. Our Reception wine will be Patio 9 Pink, accompanied by a cheese and hors d'oeuvres platter prepared by Rockway's amazing chef.

Rebecca Hiebert, Rockway's Sommelier and Retail Manager, will lead us through a delicious set of pairings, describing what to look for when pairing wines with food, taking into account the possibility that some of your guests may never drink whites or only drink whites. Discover if the pairings please you or grate on your palate. Either way both wine and food will be delectable on their own.

Come away with a new confidence in how to pair food and wine! For more information about *Rockway Vineyards*, visit their website at [www.rockway.net](http://www.rockway.net)
