13th Street Winery is described as a chic boutique winery set amongst 25 acres of estate vineyards, featuring local art, a bakery and tasting bar. The grounds surrounding the winery feature a permanent exhibit of spectacular sculptures.

The winery was founded in 1998. Originally started by four amateur winemaker friends, the winery was purchased in 2008 by the current owners: John and June Mann and Doug and Karen Whitty. Both families have deep roots in the Niagara community. All of the wines produced by 13th Street Winery are made from fruit sourced exclusively in the Niagara Peninsula with 85% or more coming from 13th Street vineyards.

Our evening will begin with a Sparkling **RV Cuvée Rosé** paired with delicious canapes created by Chef Josh Berry. These delectable nibbles feature smoked salmon and goat cheese croquettes. We will then gather in the tasting room for a sit-down wine and cheese seminar. Assistant Manager Nicole Jay and Sommelier Andrea Vani will lead us through pairing six 13th Street wines with an assortment of cheese made by local artisans.

After the seminar, we will enjoy some light appetizers and social time with members. Chef Josh has some delicious creations planned for our enjoyment. He will be tempting us with Tandoori lamb lollipops, slow roasted brisket sliders and charred brussel sprout tacos. Owners Doug and Karen Whitty may be available to chat and answer questions.

While we are socializing we can browse the wine shop and show our appreciation to 13th Street Winery for being such gracious hosts.
