Foreign Affair Winery offers superb innovative wines, both red & white, inspired by the Italian Amarone (Appassimento) process. This old-world method in a new world setting is depicted in the tasting room and whimsical label which drops iconic Canadiana into a beautiful Italian landscape. The story of The Foreign Affair Winery is both intriguing and romantic, about a Canadian ex-pat that falls in love with an Italian Temptress (wine that is).

Join us for a memorable evening to hear the rest of the story about this unique winery situated in the heart of Niagara.

In 2000, taking a leap of faith, Len and Marisa bought prime farmland in the Vineland area of the Niagara Peninsula starting their journey to becoming one of the pioneers of appassimento in Canada. They sourced quality vinifera varieties from Europe (Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot, Pinot Noir, Sauvignon Blanc, Chardonnay and Riesling) an unusual choice for this style of wine-making and, after three years of carefully nurturing the vines, the first crop was harvested in 2004. During our evening together, we will hear more about this amazing journey and taste the amazing results.

The evening will begin with a reception wine and passed hors d'oeuvres, followed by a seated tasting led by the wine making team. During our social time, after the presentation, we will enjoy antipasto, charcuterie, cheese and focaccia.

We look forward to another enjoyable evening!
