

Hello members of the Ontario Wine Society, Niagara and Windsor-Essex Chapters!

The Niagara Chapter Executive is excited to announce the opportunity for OWS members to attend an on-line “wine and culinary experience” hosted by 13<sup>th</sup> Street Winery. During these challenging times, this type of event provides a tasting experience from the safety and comfort of our own homes. We are also pleased to be able to extend this invitation to our partner OWS chapter in Windsor-Essex.

You will note that this on-line event includes Niagara Chapter President, Jackie Barrett as a co-host and presents an expanded agenda, offering not only a guided wine tasting but also a unique culinary experience, exploring some delicious food products, interesting recipes and accompanying tasting notes. The food and wine package, delivered directly to your home in preparation for the event, is outlined below.

Members may share this invitation with friends who are interested in participating. Some members may be interested in sharing the wine and culinary package with a few friends, creating a special “socially-distanced” event at one home, and thereby, sharing in the cost.

Attached for your information is the invitation issued by 13<sup>th</sup> Street Winery.
